## Meditation: Discover your inner balance

easy to learn • more peace • less stress

It's time to find the peace within, to experience an awareness you probably never knew existed. Whether you're an absolute beginner or a regular, join us for a special day to deepen your meditation.

- Simple guided meditations, practical sessions, interesting presentations, live world music, take home kits. Everything is explained!
- Separate sessions for beginners and regulars.
- Learn how to balance the subtle system.
- Video talks by founder, Shri Mataji.
- Tips to help stay centred at work and home.
- **Music of Joy** group will provide live meditative and joyful music throughout the day.
- No physical exercises, postures or special clothing are required. Chairs are provided.
- Bookings are essential (see below).

### Refreshments

A substantial, tasty afternoon tea is provided free to workshop attendees. (Lunch is NOT provided - please eat before arriving. If needed, there are cafes nearby).

### Cost

**Free of Charge.** Our workshops are provided free by an experienced team of volunteers, as a non-profit community service.
